CHURCH  
NORTHSTOWE

Bible Researcher and  
Old Testament Lecturer  
at Cambridge University,  
Dr Kim Phillips, looks at  
how we can have  
confidence in the Bible  
as a source of real  
history and truth about  
God.

All welcome.

On 1<sup>st</sup> March Dr Phillips, (Cambridge academic, Longstanton resident and member of Emmanuel Church) will be leading our 11-12 slot, sharing reasons to take the Bible seriously as a historical source. You are welcome to join us from the start of our service (10:30am) or to come in at 11am for the talk.

Free refreshments served at 12 noon

Emmanuel Church meets every Sunday 10:30am in the Northstowe Community Wing. The first half hour is spent with all ages together learning about and worshipping God together. Then children go off to their Bible clubs, and adults and teens spend the next hour learning more about Jesus from the Bible. Everyone, regardless of background and beliefs, is always welcome.
